DECLARES IT UNDEMOCRATIC

SAYS DEMOCRATS ARE NOT BOUND BY CAUCUS.

CANAL BILL IN THE SENATE

HOAR'S AMENDMENT OFFERED AND MORGAN SPEAKS.

Washington, June 12.—When the house met today, Mr. Ray, of New York, chairman of the judiciary committee, asked unanimous consent that Monday after the consideration of bills under suspension of the rules and Tuesday be set apart for the bill to amend the bankruptcy act. There was no objection and the order was made.

Mr. Dalzell, from the committee on rules, then presented a special order for the consideration of the senate irrigation bill, one day for general debate and one day for amendment under the five minute rule.

MR. ROBINSON OPPOSES RULE.

Mr. Robinson, of Indiana, opposed the adoption of the rule for the consideration of the irrigation bill. He declared that the bill would be beneficial to the arid land states and dangerous to all the others. He criticised severely the action of the democratic congressional committee in adopting a resolution favoring the irrigation bill. He declared that the committee was without jurisdiction and had no power to bind democratic members. The whole scheme was undemocratic, he asserted, and was in the interest of land grant railways.

Mr. Underwood, of Alabama, favored the adoption of the rule. He argued that the only method of building up the arid land states was to provide for their irrigation. The bill would not take a dollar out of the treasury, he said; it would only use the proceeds from the sale of lands in each state for the benefit of such state.

Mr. Shafroth, of Colorado, also argued for the adoption of the rule.

Mr. Newlands, of Nevada, also supported the rule. The resolution then was adopted without division. The house resolved itself into committee of the whole, Mr. Tawney, of Minnesota, in the chair, and entered upon the consideration of the irrigation bill. It was arranged that Mr. Mondell, of Wyoming, should control the time for the measure, and Mr. Ray, of New York, against it.

IN THE SENATE.

Washington, June 12.—At the conclusion of routine business in the senate today, a resolution introduced by Mr. Carmack, of Tennessee, directing the committee on civil service and retrenchment to investigate the discharge from the war department of Miss Rebecca J. Taylor, a clerk in that department, was called up. On motion of Mr. Platt, of Connecticut, the resolution was referred to the committee on civil service.

The resolution introduced yesterday by Mr. Culberson, of Texas, directing the secretary of war to send to the senate an itemized statement of the expenditures made from the Cuban funds from the time of the American occupation to May 1, of this year, was taken up. Mr. Platt, of Connecticut, explained that the information was being compiled in the war department and the resolution was sent to the calendar.

Consideration then was resumed of the London dock charges bill. Mr. Platt, of Connecticut, remarked that it was difficult to ascertain what was sought by the bill.

The discussion continued until 2 o'clock, Mr. Platt confessing that he was "more and more getting into confusion about the matter."

THE HOAR AMENDMENT.

Consideration of the isthmian canal project then was resumed and Mr. Hoar formally offered his amendment, of which he gave notice some time ago, in the form of a substitute.

The amendment provides that it shall be the duty of the president to cause an isthmian canal to be built by such route as he may select; that he shall obtain all advice necessary, and that $10,000,000 be appropriated to begin the work.

Mr. Morgan, in charge of the pending bill, in taking the floor and noting the absence of a large majority of senators, said it mattered not to him whether senators listened to his remarks or not, as he was addressing himself to the American people, in order that the facts concerning the canal question might be well understood.

He then discussed at length the attitude of Nicaragua and Costa Rica toward the isthmian canal and the diplomatic negotiations between those two governments and the United States looking to the canal's construction.

WANT SPECIAL COMMISSION.

Washington, June 12.—Representative McCall, of Massachusetts, today presented to the house a memorial signed by Charles Francis Adams, Andrew Carnegie, Carl Schurz, Edwin Burritt Smith and Herbert Welsh, asking that a congressional committee of investigation be appointed to go to the Philippines to inquire into and report upon conditions existing there. Mr. Carnegie's signature was authorized by cable. The memorial is dated at Boston and states that the signers are a committee appointed at a recently held meeting of persons, irrespective of party, interested in the policy pursued by the United States toward the Philippines.

BAD OUTLOOK FOR CUBAN BILL.

Washington, June 12.—The republican beet sugar senators held a conference this afternoon in Senator Elkins' committee room. The meeting was for the purpose of making a general canvass of the situation with reference to the prospect for legislation in the interest of Cuban reciprocity. The cancellation committee reported its failure to secure the adoption of any of its propositions by the Cuban committee and there was a general exchange of views, the preponderance of which was favorable to the opinion that the prospect for the passage of a reciprocity bill had been materially lessened by the testimony given yesterday before the Cuban committee by Mr. Thurber.

BOERS GIVE UP THEIR GUNS

OVER TEN THOUSAND HAVE SURRENDERED.

Much Ammunition Not Coming In—Boers Incensed Against European Nations.

Pretoria, Wednesday, June 11.—In all 10,225 boers have surrendered up to date. Many are youngsters of eleven years old and upward. The majority of them are under thirty, though some of the burghers who have surrendered are septuagenarians. Reports from all the districts say that the burghers are increasingly friendly. The only bitterness observable among the leading boers here is against France and Germany. They declare the war was protracted unnecessarily owing to hopes held out by the French and German press. Some of the boers are so incensed that they have expressed the hope that some day they will fight on the side of the British against one of these powers.

The anticipated friction between the surrendered boers and their former comrades of the National Scouts has not materialized to any extent.

The boers admit they received ammunition through Portuguese territory.

General DeWet says the youngsters were his best fighters and frequently held positions after the old burghers had cleared out.

The Boers of the Orange River colony are handing in only a small percentage of their ammunition. They explain that they used most of it in hunting game since the peace agreement was signed.

Addressing the surrendered Boers at Kroonstadt, Orange River colony, General Elliott said the only wish of King Edward, his government and the British people, was to help the burghers and get them back to their farms as soon as possible. The king, the general added, had telegraphed congratulating the burghers on the good stand they had made. This announcement was greeted with lusty cheers for the king and for Lord Kitchener.

TO HOLD MEMORIAL SERVICES.

Sunday afternoon the local tents of the order of Maccabees will hold their annual memorial services at Lindenwood cemetery. The members of the order will meet at the corner of Calhoun and Wayne streets and, headed by a band of music, will march to Lindenwood cemetery, where the ritualistic services of the order will be held. The members of the order will then re-form and will march back to the starting point, where they will be dismissed.

Mrs. Wilson Yagerlahner, of Elizabeth street, arrived home today, after a two weeks' visit at Wabash and Warsaw.

NAME DELEGATES

REPUBLICANS PREPARING TO HOLD CONVENTION.

WILL MEET NEXT SATURDAY

EFFORTS MAKING GET GOOD TICKET IN FIELD.

CANDIDATES NOT NUMEROUS

BUT TWO FORMAL ANNOUNCEMENTS MADE.

Republicans will this afternoon and evening meet in the various townships and wards to select delegates to the republican county convention which will be held on Saturday. This afternoon, also, Chairman Harris is presiding at a meeting of the county executive committee which is being held at the chairman's office to talk over the situation and get matters into shape for the convention. Candidates for the various places have not done anything strenuous to obtain places on the ticket. However, the leaders have been active in encouraging candidates to enter the race, and it is asserted that when the ticket is completed on Saturday it will be a strong one.

The convention will be called to order at Saengerbund hall by Chairman Harris Saturday morning at 10 o'clock, and Judge M. S. Taylor is to preside as permanent chairman. The present program is for the entire morning session to be devoted to speech-making, and a number of gifted orators are expected to be on hand to arouse enthusiasm up to a proper pitch. Among the speakers will be Judge Roby, of the appellate court, Clarence C. Gilhams, candidate for congress, Daniel Storms, candidate for secretary of state, and Charles W. Miller, nominee for attorney general. An adjournment will be taken at noon, and the ticket making is due to begin at 1:30.

TALK OF THE TICKET.

Formal announcement of candidacy has been made by just two men—Nelson O. Bart, who would like to be sheriff, and Dr. James A. Lomas, who is willing to make the race for coroner. For the other places on the ticket, names of various gentlemen have been under consideration, and the most embarassing difficulty the leaders have been laboring under is the marked disposition on the part of the eligibles to fight shy of the honor. Those who have been there before announce their perfect willingness for somebody else to offer himself upon the altar of his party.

For the state senatorship Capt. Allan H. Dougall and John W. Sale have been mentioned, but Mr. Sale has not yet succumbed to the persuasive arguments of the ticket framers, and may not consent to have his name announced.

Four candidates for representative are spoken of—Crawford Griswold, W. H. Clements, John Jackson and J. W. Tryon. All are from Fort Wayne save Mr. Tryon, who was formerly postmaster at Monroeville, and is said to be after Senator Fairbanks' political scalp.

Attorney O. N. Heaton seems likely to have the nomination for superior court judge given him.

NINDE FOR PROSECUTOR.

While a number of the younger attorneys have been talked of in connection with the prosecutorship, it appears today as though D. B. Ninde is slated for the place.

Dr. James A. Lomas is announced for coroner, but the names of Dr. S. H. Havice and Dr. Joseph Stults are also connected with the nomination.

Ex-Councilman W. J. Lennart is believed to be willing to take the nomination for auditor, and G. H. Loesch is being picked by the prophets as the nominee for clerk. A few weeks ago this nomination had been reserved for Will Urbahns, but Mr. Urbahns has since removed to Cleveland.

The list of possibilities for county treasurer has dwindled down considerably. Paul E. Wolf is said to be a candidate, and Jacob Funk, a retired farmer living in Lakeside, will make a try for it. Will A. Bohn, who had been almost persuaded at one time, is said to have positively refused to permit his name to be announced. Present indications seem to favor the selection of Samuel Bittler, the well-known hoop manufacturer from the Eighth ward.

There is another dearth of candidates for the commissionership from the third district, but in the second there is more available timber. Among those mentioned for this place are Milo Gorrell, George Ziemmer, Alfred Daugherty, W. H. Harter, John Valentine and William Ballou.

No call has been issued for the township convention Saturday, and no ticket can be named. It is probable this will be deferred until fall. There has been little activity for the township offices, though friends of Col. C. B. Oakley are urging him to make the race for justice of the peace. Colonel Oakley is reluctant to announce his position in the matter, but so far as known he has not made a definite refusal.

RAN CAR TO WAYNE STRET.

Shortly before noon this morning, a Southwestern car was run over the down town line as far as Wayne street for the purpose of making a test of the tracks. The baggage car was used and the officials of the road made the trip over the new line. Workmen are going over the line clearing the dirt from the tracks and preparing the road for the opening of traffic on Sunday.

ECHOES OF ILLINOIS STORM

ONE MORE DEATH IN M'LEAN COUNTY IS REPORTED.

Many Curious Freaks of the Wind Are Chronicled—Damage Is Very Extensive.

Bloomington, Ill., June 12.—Wire communication through McLean county is being resumed and additional details of Tuesday night's tornado are coming to light. One more death is added to the list of McLean county victims.

A child was picked up and carried to a field some distance away, but was unhurt. The residence was completely demolished. A train of empty box cars on the Lake Erie and Western railway was carried three miles, colliding with an eastbound train near Elliott. At Elsworth, on the same road, a caboose was turned completely over and Conductor George Stevens, of Rankin, was knocked unconscious. He is in a serious condition. The brakeman escaped with bruises.

On the farm of Isaac Funke, north of McLean, an eight-inch fence board, sixteen feet long, was driven through an inch plank. Near Bentown the collapse of a barn killed seventeen head of cattle and twenty hogs. At Emdon, the new Lutheran church was completely destroyed, involving a loss of $10,000.

On the Big Four road, eight box cars on the siding at Farmer City were carried by the wind eight miles to Mansfield, the first station east.

The work of repair is in progress all over central Illinois, but it will be weeks before the devastated territory will be restored.

NINE HURT BY TORNADO.

Des Moines, Ia., June 12.—For the first time in two days telegraph and telephone communication with Washington has been obtained.

Four wagon loads of students enjoying a picnic at Coppoc, nine miles south of Washington, were caught by the storm during their return journey. One wagon containing nine members of the high school class which had just graduated sought shelter in a school house which was blown to pieces, burying all in the debris.

The injured: Mildred McAtlin, will die; Charles Chance, recovery doubtful; Myrtle Stewart, Blanche Stewart, Myrtle Shields, Jessie Klein, Gertie Reeves, Mary Jerrard.

WILL HAVE A FINE DEPOT.

When the terminal station of the Southwestern at Pearl and Harrison streets is completed it will be a model of its kind. The long room, 18x107 feet in size, is to be partitioned off into four departments, the furniture, counters, desks, grill work and other fixtures being of the very finest grade. At the Harrison street front of the building will be the waiting room, equipped with comfortable seats, rockers, telephones and telegraph office. Next to this compartment will be the ticket office, and next in line will be the general offices of the company, with the private office of Manager Nelson in the rear. The western section of the room is to be devoted to a baggage and express department. A side track running to the door will enable the cars to be loaded without delay or difficulty.

EXPECT CARS SATURDAY.

General Manager Nelson, of the Southwestern, stated this morning that work was moving so rapidly that it was now believed possible to begin running cars down town by Saturday morning. The repairs in the power station yesterday were completed in time to start cars at 3:30 o'clock.

DISORDER AT PAWTUCKET, R. I., CALLS FOR FORCE

Wilkesbarre, Pa., June 12.—It was learned at the office of the Lehigh Valley Coal company today that an attempt was made last night on the life of Superintendent Thomas Thomas, of the William A. colliery, of the Lehigh Valley company, at Old Forge, north of this city. For the last four days crowds have been gathering each morning and evening on a hill which overlooks the colliery and throwing stones at the men at work within the enclosure. The day and night superintendents do not live in the colliery as do many of the other employes and they are taken to and from the place on a locomotive. Last night the night superintendent reached the colliery safely. A few minutes later Superintendent Thomas came out and when about 300 yards from the breaker, he says, a number of men who were in ambush opened fire on the locomotive. Fortunately the engine was traveling rapidly and it was soon out of range of fire. The officials say about ten shots were fired. The miners' union is doing everything possible to have its idle men at that point keep the peace. Old Forge is in Lackawanna county, just across the Luzerne county line. Sheriff Schadt has several deputies stationed at that point.

This was pay day at all the Lehigh Valley collieries in the Wyoming valley for the engineers, firemen and pumpmen, fire bosses, clerks and other company employes for the last two weeks of May. Most of the engineers, firemen and pumpmen are now on strike. The pay cars are well guarded by coal and iron police.

There were six persons on the locomotive, the engineer, fireman, conductor, two brakemen and Superintendent Thomas. As soon as the firing began the six men immediately dropped to the floor of the locomotive and its tender, and in that way saved themselves. The window panes of the cab were broken and the locomotive and tender were perforated with bullets and buckshot.

District President T. D. Nicholls, who, with District Presidents Duffy and Fahy, were in conference with President Mitchell last night, left today for Duryea, which is close to the scene of the shooting. It is believed he will attempt to get the strikers there to organize a police system to keep the borough quiet.

President Mitchell had nothing to say today, either on the anthracite or soft coal strike in West Virginia.

It will be four weeks tomorrow since the three anthracite districts requested the call of a special national convention to consider the advisability of involving all the soft coal miners in the United States in the anthracite strike. Mr. Mitchell was asked today by the Associated Press correspondent whether he had the consent of five districts necessary to call a national convention. He said he could not talk about the matter.

TROOPS ON GUARD.

Pawtucket, R. I., June 12.—The city officials having declined to increase the police force to meet the unusual conditions resulting from the strike of the Union Traction company's men here and in Providence; by order of Governor Kimball, six companies of infantry and two troops of cavalry are patrolling the streets today.

The action of the governor was precipitated by a serious disturbance which took place last evening, when a detachment of 16 special deputy sheriffs were attacked by a crowd which had held up and demolished a street car. The officers were stoned and a number of persons were injured. There was no semblance of trouble this forenoon. The soldiers were stationed at short spaces and maintained practically a solid line, while cars were run, each with a guard of deputy sheriffs, the schedule being maintained with some show of regularity. There were few passengers.

STREET CAR BOYCOTT.

Franklin, Pa., June 12.—As a result of the street car boycott growing out of the trouble between the Venango Power company and its employes, the street car employes both in this city and in Oil City have been sworn in as deputies by Sheriff McCollum. Very few people are riding on the cars. Up to a late hour last night several hundred men lined the tracks on the principal streets, hooting at the motormen and conductors and endeavoring to dissuade people from patronizing the line. Torpedoes were placed on the tracks in many places, but no serious trouble arose from the demonstration.

DISORDER BEGINS.

The quiet which prevailed when the troops arrived was broken just before noon, when four cars became stalled in a crowd on Pawtucket avenue. The cars were each guarded by four deputy sheriffs and a detachment of special officers. A troop of the cavalry was hurried to the locality and a company of infantry followed. As the soldiers neared the crowd they were cheered at first. Then there were signs of hostilities. The soldiers made their way to the center of the multitude and part formed ahead of the car and the remainder in the rear.

Just then a bombardment of stones began. A number of the officers and men were struck and slightly injured. The deputies arrested the onslaught by firing a volley from their pistols, aimed high. This caused the crowd to fall back and the car proceeded.

The incident seemed to awaken the disturbing element. Chief of Police Rice advised the people to clear the streets and avoid the possibility of a conflict, but the crowds were disposed to be insolent.

SMALL BOY SHOT.

Just before 1 o'clock a car, escorted by a squad of cavalry and filled with deputy sheriffs, was stalled on Main street by a mob. Stones crashed through the windows and a tumult was raised. Then a volley of shots fired by the deputies rang out. Tanner Peterson, 12 years of age, who was in the crowd, fell, having been hit by a bullet. Apparently he was the only one injured, but the incident staggered the crowd. The car passed on. It was badly battered. All the windows were broken.

A doctor who was near at hand examined the Peterson boy and said that he was critically injured.

DAILY NEWS DEAL COMPLETE

BILL OF SALE CALLS FOR $25,000 IN CASH.

Mr. Bicknell Will Take Charge Monday—New Owner is Forming a Stock Company.

The sale of the Fort Wayne Daily News by William D. Page to Clarence F. Bicknell, recently of the Terre Haute Tribune, was completed Wednesday afternoon, when the new purchaser complied with all the terms of Mr. Page's proposition, and the ownership passed into his name. Mr. Bicknell will take possession of the property next Monday.

The bill of sale calls for $25,000, and the amount was paid in cash. While the purchase was made by Mr. Bicknell personally, the ownership of the paper is to be vested in a stock company, capitalized at $30,000, which Mr. Bicknell is now organizing. There are 300 shares of stock of $100 each, and these will be held equally by C. F. Bicknell, his brother, Ernest P. Bicknell, and A. T. Hert, superintendent of the state reformatory at Jeffersonville. C. F. Bicknell will, however, be the only resident member of the company.

Mr. Bicknell announces that it is not his intention to make any change in the office force of the Daily News. He will assume active business management of the paper, exercising at the same time a general oversight of all departments. The purchase does not include either the realty or the job printing department, which is retained by Mr. Page. The latter will be conducted under the management of T. B. Wright.

INJURED BY A ROWDY.

Miss Mattie Miller, living on West Main street, was painfully injured at Robison park last evening, while attempting to board one of the late cars in a crush. Miss Miller was standing in one of the aisles at the waiting station when the car arrived and in the rush to get seats, Miss Miller was crushed against the railing by a burly ruffian who crowded in front of her. Miss Miller fainted, but the fellow who was the cause of the accident hurried aboard the car, and turned and laughed at what he had done. Miss Miller was unconscious for over an hour, and it will be several days before she will be able to be about.

WEST POINT COMMENCEMENT

FINAL SCENES OF CENTENNIAL CELEBRATION.

SECRETARY ROOT SPEAKS

TELLS ANECDOTE OF GEN. A. R. CHAFFEE.

West Point, N. Y., June 12.—The centennial celebration of the West Point military academy was ended today with the presentation of diplomas to the graduating class. The weather was fine and the ceremony took place out of doors on that part of the parade grounds known as "Cavalry Plain." An open tent over a platform had been erected for the speakers and officials and standing at the front of the platform President Roosevelt presented each new officer with his diploma.

PRESIDENT DID NOT SPEAK.

It was expected the president would make a few remarks, but he simply shook hands with each cadet. On the platform besides the president were General Horace Porter, General Miles, Secretary Root, Secretary Moody, Postmaster General Payne, the Chinese minister, Wu Ting Fang, Senator Pettus, of Alabama; Senator Quarles, of Wisconsin; Governor Odell, the Italian ambassador, Mr. Des Planches, Generals Corbin, Young, Schofield, Mac-Cook, Brooke, Right Rev. Dr. Conaty, the academic board of the academy, Chakib Bey and Congressman Dick, of Ohio.

The audience, comprising ladies in fashionable summer costume and the entire cadet corps and several hundred visitors, occupied chairs on the lawn under trees and the clear sky and beautiful scenery about West Point gave the exercises a picturesque setting.

The speakers were General Dick for the board of visitors, General Root for the government and General Miles for the army.

ROOT GIVES ADVICE.

Secretary Root said it was a fundamental principal that the military branch of the government should be subject to the control of the civil. He told the cadets to bear in mind that their education was not by any means complete, and that they could go on learning to be good soldiers until they retired, if they were lucky enough to live until the age of 64. The regular army in time of war, he said, was a nucleus of a greater organization, including the militia and national guard, and he advised the cadets to get the good will of these bodies and of citizens interested in the army.

The secretary told how an old officer in the late war happened to come under the command of a young volunteer officer and yet continued to do his duty without giving any sign of the feelings he must have had as an old and faithful soldier. "His conduct attracted attention and the president," said the speaker, "picked him out to lead the American army to Pekin, Gen. A. R. Chaffee. It was because he ruled his own spirit that the president thought he could take a city."

The crowd of visitors gradually left early in the afternoon and after the president had gone there were few left on the academy grounds.

MILES MUCH CHEERED.

The two most talked of incidents of the celebration are the speech of General Horace Porter, which made a deep impression, and the defense of the army in different speeches. General Miles' remarks today were chiefly those of an older to younger officers and referred almost wholly to the business of war. He said there were supreme moments in the life of a soldier, one when an officer knows he is doing just what the enemy thinks he is not, and when he feels one more victory has been added to American glory. General Miles was loudly cheered and applauded when he arose to speak.

The president left here this afternoon by train for Washington.

A SHORT CAMPAIGN.

Indianapolis, June 12.—Democratic State Chairman O'Brien today announced that the democrats will not open the campaign in Indiana until the last week of September. The republican campaign will open about the same time.

The Ladies' Home Missionary society of Wayne Street M. E. church will meet with Mrs. J. H. Hildebeck, on South Broadway, Friday afternoon.

Bishop Alerding received word last evening of the death of Rev. E. Racyinski, pastor of St. Casimier's church, South Bend. Father Racyinski will be buried Friday morning at 8 o'clock.

ON BERRY STREET

S. B. FLEMING GETS HIS INTERURBAN FRANCHISE.

COUNCIL RATIFIES GRANT

PROPERTY OWNERS' STRONG REMONSTRANCE.

BUT TWO DISSENTING VOTES

OTHER BUSINESS DISPOSED OF BY COUNCIL.

The city council met last evening in adjourned session and after some argument passed the Fleming street car franchise, providing for a route down Monroe street instead of Clay, and from Monroe to Harrison on Berry, instead of on Wayne street. The salary of Lieutenant Lapp was raised from $75 to $85, after which the council adjourned for one month.

At roll call all the members responded to their names excepting Glenn, Hench, Miller and Scheid. A petition from Lieutenant Lapp, and endorsed by the board of safety, was presented, asking that the salary of the lieutenant be increased from $75 to $90 per month, citing that the officer was now performing the duties of police court clerk, for which the charter made provision for the payment of any sum not exceeding $75 per month. The petition was referred to the committee on the whole, which subsequently acted on the matter and raised the salary to $85.

FRANCHISE CALLED UP.

This being disposed of, the clerk read a remonstrance signed by A. I. Hattersley, Mrs. F. P. Randall, J. C. Peltier and 29 others representing property owners on East Berry street, asking that the right to construct a railway on said street be refused. On motion of Councilman Bauer the remonstrance was received and filed, whereupon the mayor announced that the ordinance referred to now stood upon its third reading. The ordinance was read, the vocal gymnastics of Clerk Schmidt occupying about 45 minutes.

Attorney Lee Minde and Hon. W. G. Colerick addressed the council at considerable length in the interests of the remonstrants, the burden of the argument being that the proposition to place the line on Berry street was a shocking surprise to the residents of that thoroughfare.

Mr. Minde thought the council was disposed to act with undue haste in disposing of the franchise and expressed conviction that it would be only fair to defer final action a few days to give the residents of East Berry street an opportunity to examine the provisions of the franchise to see what objectionable features it contained.

JUDGE COLERICK HEARD.

Judge Colerick thought East Berry street too fine a thoroughfare to be sacrificed to street car lines and recalled that when it had been proposed as a route for the Ohio and Indiana line the promoters and city authorities had been prevailed upon to abandon it. He asked why East Wayne street had been abandoned in a night and why the people of that thoroughfare were entitled to more consideration than East Berry street residents. He alluded to the possibility of the line becoming a freight carrying road, which he said would be extremely objectionable. Judge Colerick hinted at recourse to the courts to prevent construction of the line on East Berry street.

Councilman Baker, of the Second ward, took the floor and asked if the council were going to take snap judgment on the people of East Berry street and rush the franchise through without giving them a chance to be heard. He moved to defer action, Mr. Hosey seconded the motion.

MR. FLEMING TALKS.

Mr. Fleming then secured recognition and explained the attitude he found himself placed in and said that Berry street was not of his own choosing, but that he would accept it and that if he was expected to interest capital in the proposed improvement he could not waste any time in fighting obstructionists. Mr. Hosey talked at some length and said that he was opposed to any line being given a franchise over east and west streets and that the only solution to the problem is the use of the Fort Wayne Traction company's tracks. He said that he knew he was treading on dangerous ground when he mentioned "traction company," because he had been accused of wearing a Scott collar. He closed by saying that he was not afraid of public opinion and had always voted for and advocated what he thought to be for the best interests of his ward and the city at large.

FRANCHISE APPROVED.

The question was presented and on the call of the roll the ordinance was passed by a vote of 14 to 2, the dissenters being the Second ward councilmen, Messrs. Hosey and Baker.

The franchise carries with it the forfeiture of $5,000 if the road is not completed within a year after the signing up of the contract, and while the ticket rate is made six for a quarter on the cars, a provision is made that in case of consolidation with any other company having a cheaper rate, then such cheaper rate shall likewise apply to this company. The franchise being disposed of, on motion the council resolved itself into a committee of the whole to pass upon the petition of Lieutenant Lapp, with the result already given.

MAYOR WILL SIGN IT.

Speaking of the Fleming franchise Mayor Berghoff expressed himself quite freely. "I have not yet signed the ordinance as passed," said he, "but I probably will when it is presented to me. I have ten days to consider the matter but I won't need it. When the ordinance reaches me, I shall examine it carefully and if it is technically correct I will sign it. Personally I am not in favor of it and I still think that interurbans should come in over the old company's lines, but I have seen too much of the benefits of interurban roads to cities not to realize that they must come in in some way or another. I have no more sympathy for the people living on Berry street than for those living on John street—and really not as much. A man living in a Berry street mansion can move his sleeping quarters to a rear room if the cars disturb him so that he can't sleep at night but the average John street man can't do that because he has no rear room to move into. The Berry street man can sell his property at its actual value and it is doubtful whether the other fellow can. I have property interests on Berry street and would have preferred to have the line come down some other street, but I realise that it must come down somewhere. I rather think that Berry street can be easier spared than Wayne street. Wayne street will soon be paved nearly its entire length and as a matter of fact it will be then the only clear thoroughfare running east and west in the city. It starts at College street and runs to Glasgow avenue without a break—runs from river to river and I think the council acted wisely in transferring the road to Berry street."

An affidavit was today filed against the owner of the lot at 436 Buchanan street where an offensive vault, dangerous to public health is being maintained. The affidavit was made by one of the sanitary officers and was drawn by the city attorney.

ABOUT THE COURT HOUSE.

The case of Pfeidner vs. McQuiston went to the jury yesterday evening and it took until 5:15 this morning before a verdict was reached. The finding was for the defendant. The case was one in which the action was for damages in the sum of $100 for the improper care of a horse which died, the death and consequent loss being alleged to be due to the negligence of the defendant. The finding was upon a series of interrogatories, all except one of which, covering an immaterial point were answered favorable to the defendant. The verdict of the jury relieves Mr. McQuiston of the onus of the charges as made as it was shown and established that the animal had received proper and reasonable care and that the commercial risk was that of the owner and not of the custodian of the animal.

The case of Hill vs. Hadley was begun in the superior court this afternoon and will reach the jury before evening.

Judge Aiken will hold court at Huntington tomorrow where he has been called to sit as a special judge in a damage suit. Meantime the superior court jury, after disposing of the case now before it will be discharged until next Monday morning.

Sophia M. Brudi has qualified as administratrix of the estate of the late Gottlieb Brudi.

The Kirby will case continues to engage the attention of the circuit court and jury. The evidence will probably all be submitted by this evening.

JUVENILE ACROBAT HURT.

Chester Harding, a five-year-old lad residing with his mother over the Postoffice drug store, at 128 West Main street, was indulging in some amateur acrobatic acts this morning upon the roof of an addition to the rear of the building. He attempted to do a turn from the corner of the building, and fell to the ground, a distance of fourteen feet, sustaining extensive bruises of severe, though not dangerous character. Dr. Ladd was called to attend the little sufferer.

J. F. W. Meyer, who was a delegate to the sessions of the Missouri Lutheran synod at Milwaukee, returned home last evening. Mr. Meyer was a member of the most important committees, but business required his presence at home before the conclusion of the session. He is greatly pleased over the appropriation for Concordia college.

BUYING NEW MACHINERY.

The Fort Wayne Gas company yesterday purchased eight new compressors for use at its various pumping stations, which will largely increase the capacity of the pumping outfits. Three immense boilers have also been purchased for the Bluffton station, two for station No. 2 and one for station No. 3. The company is expending an appropriation of $140,000 in new wells and machinery to augment the gas supply for Fort Wayne next winter.

FOUND OUT DOUBLING UP THE PRICE.

Public announcements have appeared of late regarding the success of the American grown Vuelta tobacco transplanted to Southern soil in the U. S., by Bondy & Lederer, with the added information about these crops now being used in the Tom Keene cigar. A wholesale price higher than rates on all the old-time 5 cent cigars to dealers is found necessary on these goods. To get even, or rather ahead more, certain dealers have been found to be charging 10 cents each for the goods among customers who have overlooked that the price of the Tom Keene is plainly stated in these announcements at 5 cents.

Don't do it again, Gentlemen!

Bondy & Lederer have accomplished substantial effects which are apparent to any smoker. They have plainly doubled the grade of a popular priced, generally used product. The consumer fully recognizes it. Why attempt to stop the natural results? It is futile and distinctly to your own disadvantage as a cigar dealer.

We want the Tom Keene sold at 5 cents by all dealers.

The TOM KEENE always had a Sumatra wrapper, and now, with this filler, is indistinguishable, in taste as well as appearance, from the 10-cent domestic brands. But the remarkable planting enterprise of Bondy & Lederer had for its sole ultimate aim the escape of import duties and the giving of a genuine delicious Vuelta filler to the American smoker in a 5-cent cigar. While it costs some outlay to let the public know all particulars in this matter it comes back to us in subsequent sales as fast as consumers try the goods. And we are prepared to defeat any attempt to prevent the heavy sale of the TOM KEENE at 5 cents by posting the public so thoroughly it can not be side-tracked by a heavy price. Every dealer who co-operates with this higher 5-cent value to the consumer is absolutely certain to be a large gainer in the next few months.

cure is sure, without harmful results to the system. Many a home is now happy by the use of Golden Specific. "My husband got into the habit of taking a drink with the boys on his way home," says Mrs. Harry Burnside. "After a while he came home drunk frequently. He soon lost his position and I had to make a living for both of us and the little children. At times he tried to sober up, but the habit was too strong for him and then he would drink harder than ever. I heard of Golden Specific and sent for a free package. The treatment cured him. I put it in his coffee and he never knew it at all. He regained his old position and now we are happy in our little home again. I hope you will send Golden Specific to every woman that has suffered as I have, and save her loved ones from the drunkard's grave."

Send your name and address to Dr. J. W. Haines, 3097 Glenn Building, Cincinnati, Ohio, and he will mail you a free package of Golden Specific in a plain wrapper, accompanied by full directions how to use it. Enough of the remedy is sent in each free package to give you an opportunity to witness its marvelous effect on those who are slaves to drink.

Do not delay. You cannot tell what may happen to the man who drinks, and you would never forgive yourself for waiting.

There will be three prizes in the pony race, $10, $5 and $2.50. Dr. K. K. Wheelock and Frank Bogash were admitted to membership in the club last evening.

BODY HEAT

Reduced 20 Degrees in Summer.

Never eat heavy carbonaceous foods for the morning meal, for these foods should follow and not precede hard work.

The best morning foundation is Grape-Nuts and cream, a little fruit, a cup of Postum Food Coffee and possibly a couple of eggs prepared to suit the taste—this breakfast is sufficient to satisfy the hardest worker, either of brain or muscle, until the noonday meal.

Particularly is this true at the present season of the year, when meat and other fatty foods increase the internal heat of the body and make the summer day still more disagreeable.

Grape-Nuts come to you from the grocer ready to serve, having been fully cooked at the factory by food experts and this saving in time and exertion is appreciated by the housewife as well as the economy, for being a concentrated food, four teaspoonfuls is sufficient for the cereal part of a meal for one person and costs only one cent.

A booklet of excellent recipes is found in each package of Grape-Nuts from which many easy and delicious warm weather dishes can be made for luncheon and supper that are not only nutritious, but pleasing to the palate.

A trial of the above selection of food for ten days will prove to anyone that health and vigor, an active mind and a keen enjoyment of the pleasures of summer will take the place of poor digestion, a dull brain and that heavy, draggy feeling caused by improper food during the hot weather.

Sugar and legislation have come to be a sort of inevitable condition in this country. Than sugar, however, there is no better bait for flies—and statesmen.

The proposition that the government construct a submarine cable from our western coast to our Asiatic possessions has been killed in the house. Wireless telegraphy did it. At all events that was an argument much used against it.

Elkin, who was defeated for the republican gubernatorial nomination in Pennsylvania, was originally a Quay adherent and when nominated for attorney general two years ago was a part of the Quay slate. He broke with his master and fought the governorship against the wishes and in opposition to the plans of Quay. He should have known what he "was up against" when he led a revolt. The governorship is an attractive plum, but he was trying to nab it from the owner of the tree on which it grew.

A situation quite without precedent has been disclosed by the inquiry now being prosecuted by a senate committee into the state of the sugar interests of Cuba. Proof has been had that the president of the exporters' association of the United States received through Governor General Wood, of the provisional government of Cuba, various considerable sums to be expended in promoting in this country the cause of reciprocal trade relations between Cuba and the United States. The money so paid and so expended came from the public funds of the provisional government and the provisional government was under the authority of and administration by the direction of the war department of the United States government. Thus it was that a department of the executive branch of the government was authorizing the expenditure of money to influence the action of a co-ordinate branch of the government. While it is true the president of the United States, a majority in the house of representatives, doubtless a majority of the senators and the vast majority of the people of this country are in favor of tariff concessions to Cuba, yet the sentiment will be that the expenditure of money from the public revenues of Cuba by the provisional government of that island for the purpose of influencing legislation by the congress of the United States is something that at least approximates the scandalous. The more so this, because by the same testimony that made the disclosure it was established that President Havemeyer, of the sugar trust, had contributed several thousand dollars to the same cause.

WHO IS TO BLAME?

That certain saloonkeepers in this city should assemble to protest against the immunity certain other saloonkeepers enjoy from payment of the state license fee is natural. It is a protest against an unfair, illegal and wholly unwarranted advantage vouchsafed to men with whom they are in competition.

To the public the case has another aspect. The public will want to know by what assumption of authority officials charged with the duty of collecting saloonkeepers' license fees permit any liquor dealer to continue in business without complying with the law. There is no legal warrant for issuing a license until the fee has been paid and the official who does so exceeds his authority, is recreant to his oath and himself a violator of the law. Every man to whom the board of county commissioners issues a permit to engage in the business of retailing liquor is so far as the law is concerned on an equality with every other person so given such permit and the officer who discriminates in favor of any dealer by issuing a license and remitting the fee breaks the law.

Who is to blame for this kind of business? What "pull" have the saloonkeepers who have been doing illegal business got that they can carry on business unlawfully for months with impunity? What concerns so closely engage the attention of the county prosecutor that he fails to begin prosecutions against such violators of the law?

And finally, what has the powerful democratic party of Allen county to answer to the charge that it elects to office and places in power officials who disregard the law and their oaths by throwing over an outlawed business the mantle of official protection?

This kind of business reeks with a stench the democratic party should have poor stomach to tolerate. No officer has the shadow of an option to parcel out such favors, not the smallest tithe of right to suspend the law in behalf of any man in the liquor business. It is an outrage upon the dealers who pay for their licenses, a shame to the official who does it, a disgrace to the community where such a state of affairs exists and a stigma upon the political party which has placed in office men upon whom rests so lightly the solemn obligations of an oath.

"I wrote to Dr. Pierce for his advice."

The lady, from whose letter we quote, got what she wrote for, and is a well woman to-day as a result of following Dr. Pierce's advice and using Dr. Pierce's Favorite Prescription, the medicine which makes weak women strong and sick women well. "Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

Sick women, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce by letter, *free*. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I was troubled a great deal for two years with female weakness and disease of the uterus and ovaries. Was under the care of a physician at Lakeview, Mich., but got no relief. Then I went to Muskegon and was under the care of another physician for three months, but got no better. Finally I wrote to Dr. Pierce, stating my case, and received a very kind letter containing my medical advice. I followed his advice and today am a well woman, thanks to Dr. Pierce."

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

NEELY SET FREE IN CUBA.

Havana, June 12.—C. F. W. Neely, who on March 24 was sentenced to ten years' imprisonment and to pay a fine of $56,701 for complicity in the Cuban postal frauds, was released yesterday under the bill signed by President Palma June 9 granting amnesty to all Americans convicted of crimes in Cuba during the term of the American occupation and those awaiting trial.

The trials before the American court of the postal fraud cases resulted in the sentencing of Neely, of W. H. Reeves to ten years' imprisonment and to pay a fine of $35,516 and of Estes G. Rathbone to ten years' imprisonment and to pay a fine of $35,324.

Reeves was pardoned and liberated April 22 by former Governor Wood because he was a witness for the state in the trial. Rathbone was released in $100,000 bail April 21 and later President Roosevelt ordered that his case be reviewed.

GOES TO JAIL FOR SWEARING

WILLIAM KOPP'S PROFANITY A DEAR INDULGENCE.

Went Home Intoxicated, Witnesses Testified, and Had Rough House—Police Notes.

The case of William Kopp, charged with profanity, was heard this morning in police court on yesterday's continuance and proved to be quite a straggling sort of an affair. Mrs. Guthrie and Mrs. Gazely, two witnesses who failed to appear in answer to summons yesterday, were promptly on hand this morning, having been peremptorily ordered to present themselves under penalty of attachment and contempt. Mrs. Kopp, who is ill, was not present. The witnesses named, both of whom occupy separate portions of the same house occupied by Kopp, testified that on Tuesday last the defendant had come home in an intoxicated condition and had abused his wife and besides applying opprobrious names to her, had indulged in much offensive profanity. The evidence of these two witnesses was very much to the point, but in defense Kopp took the stand and made a general denial and said that most of the trouble between himself and wife was instigated and augmented by meddlesome neighbors. He had made a very good impression upon the court when Humane Officer Schlaudroff asked to be sworn. He related some facts that he learned from personal investigation which were damaging to Kopp's testimony and as a result the judge assessed a fine of $3 and costs, Kopp going over.

CYCLISTS ARRESTED.

The bicycle fad was again in evidence in police court today and was represented by Miss Maggie Roach and G. A. Henry, who were picked up last night shortly after midnight near the corner of Calhoun and Wayne streets, riding without lights. They had left their wheels at the station as security for their appearance. Miss Roach said that her light had been burning up to within a square of where she was halted; that the carbide had become exhausted and that there was no possible way of relighting it. She was allowed to go. Mr. Henry might have escaped as easily had he not tried to argue the case and convince the court that the officers were not onto their job. He admitted that he had rode from Glasgow avenue to Calhoun street without a light and that he knew it was against the ordinance and that the officer should have looked the other way when he saw him coming. It was a plain case of talking too much and Mr. Henry was taxed $6.25. He left his wheel as surety.

GOT OFF WITH LECTURE.

Four young men, employed in the eastern part of the city, jumped on a westbound freight last evening to ride down town and were picked up by a policeman. Judge Dreibelbiss lectured them this morning and continued their cases indefinitely, assuring them that if they were ever brought before him again they would be severely dealt with. The boys were well dressed, cleanly looking and had never been in any kind of police trouble before.

POLICE NOTES.

A telescope valise containing about fifty pieces of knit underwear is in the police station collection. It is evidently a sample case of some traveling man, which somehow became separated from its owner and was found on the street.

The officer on the beat picked up a stray bicycle last night in front of J. C. Heller's abstract office on East Berry street.

Frank Strain, a street car conductor, reports that the street car employes excursion to Robison park yesterday cost him a suit of clothes. During his absence at the picnic some hobo, evidently, broke into his house at the corner of Monroe and Wallace streets and traded clothes with him. A tailor-made suit was taken away and a set of hand-me-downs, probably at one time worth about $4, was left in exchange. A revolver and several articles of table silver-wear were also carried away by the fastidious burglar.

SLAIN BY SAVAGE BLACKS.

Victoria, B. C., June 12.—According to advices received by the steamer Aorangi, a Malayan sailor recently arrived at Port Darwin and reported that he was the only survivor of a crew of ten men of a Malay trading schooner, which had been wrecked off Cape Wilberforce, North Australia. The crew was attacked by blacks and all but one murdered. The survivor suffered severe privation before being rescued. The Dutch bark Geertruida Geraida, which left Java March 22, in ballast for New Castle, was thrown on her beam ends and abandoned at sea by all but three of her crew, who were rescued by the steamer St. Mary. The remainder of the crew has not been heard of since.

SECURED LITTLE BOOTY.

Lagrange, Ind., June 12.—Two burglars entered the house of Mrs. David Salsbury, of Wolcottville, yesterday morning at 2 o'clock and bound and gagged her. When they went up stairs the daughter, who sleeps on the second floor, escaped by way of the porch to an adjoining neighbor's and gave the alarm. The burglars on returning below secured $16 from the widow and escaped without leaving any trace of their whereabouts.

SOLDIERS BROUGHT HOME.

San Francisco, June 12.—The United States transport Warren reached here from Manila today, bringing 300 marines and 650 casuals and short term men. Company I, of the Ninth infantry, commanded by Capt. Fred Palmer, which made up a portion of the relief column that entered Pekin and which saw desperate fighting at Tien-Tsin and Samar, is among the detachments brought back.

TWO PRETTY JUNE WEDDINGS

MISS MAUD MERRILAT AND W. M. GRIFFIN MARRIED.

Miss Emelie Weimar Becomes the Bride of John L. Nelson—Both Weddings at 6 p. m.

At 6 o'clock last evening at the home of the bride's parents, Mr. and Mrs. J. P. Merrilat, occurred the wedding of Miss Maud Clara Merrilat and William Morton Griffin. Rev. L. J. Motschman, pastor of Christ's Evangelical Lutheran church, performed the ceremony, the guests being near relatives of the young people.

There were no attendants, the couple entering the parlor alone and taking their places before an embankment of palms, ferns and smilax. The room was decorated in green and looked very pretty. Miss Merrilat wore a beautiful bridal gown of white mousseline, trimmed with Irish point lace. She did not wear a veil and carried a bouquet of bride's roses tied with their own foliage. Miss Daisy Viberg played Mendelssohn's wedding march.

After the ceremony a wedding supper was served in the dining room, covers being laid for twenty. Carnations and smilax were used in the decoration of the dining room. At 9 o'clock Mr. and Mrs. Griffin received their friends at the Wayne club, the guests enjoying a dance afterward, Alexander's orchestra furnishing the music. At midnight supper was served in the private dining room of the club, which had been prettily decorated by Miss Lydia Auger. The centerpiece of the table was white roses and roses were laid at each plate. The table was bordered with maiden hair fern.

Guests from out of the city were: Mrs. Mary Griffin and daughter, Miss Anna Griffin, of Brimfield; Mr. and Mrs. Tom Reed, of Albion; Mr. and Mrs. Harry Dragoo, of Auburn; Mr. and Mrs. A. A. Wilson and Miss Elizabeth Lord, of Chicago, and August Urbahns, of Bellevue, Ohio.

Mr. and Mrs. Griffin will not leave on a wedding trip at present, but will spend the months of July and August at Rome City. They will be at home to friends at a suite of rooms in the Randall hotel. Mr. Griffin is a son of Mrs. Mary Griffin, of Brimfield, Ind., and has been a resident of this city three years. He is secretary of the Davis Medical company. His bride is a most charming young lady, having a large circle of friends in this city.

NELSON-WEIMAR.

Miss Emelie Catherine Weimar, daughter of Mr. and Mrs. Charles J. Weimar, was united in marriage last evening to John Lester Nelson, the ceremony being performed at the hour of 6 by Rev. C. F. W. Meyer, pastor of Redeemer Lutheran church, at the home of the bride, 506 East Creighton avenue. Miss Minnie Kludt was maid of honor and the bridesmaids were Miss Emma Weimar, a sister of the bride, and Miss Bessie Nelson. The groomsmen were James F. Nelson and Harry Smith. The bride's dress was white silk mull and she carried bride's roses. The maid of honor wore a rose color crepe de chine gown and carried pink carnations. The maids, contrary to the usual custom, did not dress alike. Miss Weimar wore a white French lawn and Miss Nelson a gray crepe. The bridal party entered the room as a wedding march was played by an orchestra and took their places in front of the minister. Miss Flick did the decorating, and the rooms presented a very attractive appearance. Pink was the color plan and flowers of that color were used in profusion. The guests partook of a wedding supper after the ceremony, the table being decorated with pink sweet peas. Mr. and Mrs. Nelson have gone to housekeeping at 903 Lake avenue.

KELSEY-KYLE.

O. Russell Kelsey and Miss Ethelyn B. Kyle were united in marriage at 8 o'clock Wednesday evening, the ceremony being quietly performed at the residence of and by Rev. L. J. Motschman, pastor of Christ's Lutheran church. The attendants were Miss Mae Jones and A. Odella Smith, and following the ceremony Mr. and Mrs. Kelsey were tendered a very enjoyable surprise reception at their new home, 1228 Heastis avenue, the event being arranged by Mrs. W. P. Smith. Both Mr. and Mrs. Kelsey are well known and very highly esteemed. Mr. Kelsey is a grocer on Broadway, and his accomplished bride has attained more than local fame by her ability as an artist. They will receive the warmest congratulations from a very large circle of friends. Mr. and Mrs. Kelsey will be at home to friends after July 10 at 1226 Heastis avenue.

VIRULENT CANCER CURED.

Startling proof of a wonderful advance in medicine is given by Druggist G. W. Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. AUTOMOBILE DOES THINGS

E. B. KUNKEL'S MACHINE IN AN EXPLOSION.

Forgot to Turn off Generator and Gasoline Vapor Escaped and Became Ignited.

Last evening about 9 o'clock the policemen in the station house were awakened by a double report, that sounded as though Guy Fawkes had returned to earth to blow up the court house. The explosion, as it turned out to be, occurred in the little shed used by E. B. Kunkel to store his automobile in, which shed adjoins the Kunkel safety valve works and is only a few feet from the front door of the police station. A sheet of flame shot out from the shed and an alarm of fire was immediately sent in, but before the department arrived the night men about the station had succeeded in putting out what little fire was in sight. The accident was a peculiar one and the circumstances are related with considerable animation by Mr. Kunkel.

He had been out on a drive and when he came in to house his machine for the evening he was met at the shed door by a friend, also the owner of a machine. They talked automobile, Mr. Kunkel meanwhile coaxing his steam horse into the stable. He carefully locked the door and then accompanied his friend to the corner, never once recalling that he had forgotten to turn out the gasoline generator under the steam boiler in the machine.

The shed is almost an air-tight affair and presently became filled with gasoline vapor and burned gas, which, combined, became ignited from the furnace, and nature did the rest. It was at first thought that the 'mobile's boiler had exploded, but such was not the case.

No material damage was done that can not be repaired by the carriage painter. Mr. Kunkel says that while he has no intention of ever forgetting to turn out the fire in the future, he will put a ventilator on his storage shed which will make a recurrence of the accident impossible.

TAKEN ON MURDER CHARGE.

Marion, Ind., June 12.—Marshall T. Harrold, Arthur Stevens and Gerne Trowbridge, three young men of Sweeter, six miles west of Marion, were arrested yesterday afternoon charged with being implicated in the murder of James Lacy and the shooting of Jacob Gottschall about 1 o'clock Sunday morning on a public road between Marion and Roseburg.

Harrold and Stevens acknowledged having been in the party at the time, but said Gerne Trowbridge did the shooting.

James Lacy, Henry Poe, Jacob Gottschall and Jacob Sloderbeck were walking along the road when they were attacked by three men who demanded the return of some stolen property from a buggy, and at the same time commenced shooting. Lacy was killed and Gottschall seriously wounded.

A REAL FRIEND.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Stordevant, of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail, one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. Meyer Bros. & Co.

INDIANA MUNICIPAL LEAGUE.

Vincennes, Ind., June 12.—The tenth annual meeting of the Municipal League of Indiana convened at the City hall in this city at noon yesterday for a three days' session. About one hundred delegates, all city officials from all parts of the state, were present at the opening meeting, and at least a hundred more arrived last night and today.

The address of welcome was made by the local secretary, Mayor George E. Greene, of this city. George E. Downey, mayor of Aurora, who is president of the league, responded and outlined the work before the convention. Last evening the various departments had meetings, after which a general business meeting was held and various topics were discussed relative to municipal affairs.

IS A POSITIVE CURE FOR

GENERAL DEBILITY

Characterized by anaemia, physical weakness, poor blood and sluggish circulation. People who are pallid, are subject to palpitation, shortness of breath, dizziness, "blue spells," nausea, and at times faint and scanty, will find this remedy a perfect specific. The cause is a partial failure of assimilation. Such people often have a ravenous appetite and good digestion, but the system fails to take up certain necessary constituents, and these from those blood corpuscles. Under the action of Preparation No. 53 all assimilation gradually becomes normal. Price, 50 cents.

Very Valuable to Children of Stunted Growth, and in the Debility of Old Age.

H. HINKEL, of Arcanum, Ohio, writes: "For the last four years I have been having that tired feeling. Always gave out before I had accomplished much. In fact, every morning I awoke with an entire effort. I suffered on and off and drank patent medicines by the gallon, but to no avail. I spent several Dollars' worth of them and that tired feeling out of me and I move around now like life is worth the living."

BASE BALL NOTES.

Bad weather in the east prevented all but two games in the national league yesterday, and of these two the home club won in each instance and by exactly the same score. In the American league four games were played in the west and a coincidence, or perhaps more truthfully speaking, the lack of it was manifested in the Boston-Chicago game, in which the American Bostonians were defeated by exactly the same score as the National Chicagoans were defeated by the bean-eaters. Of the twelve major league clubs engaged yesterday, six of them played without an error and in the Cincinnati-Philadelphia and the Washington-St. Louis games not an error was made on either side. In the American association but one game was played and as that was played at Toledo, it should not require more than two guesses to tell who lost. The attendance at Toledo was 500, the American league drew 11,139 and the two National league games attracted 4,009. The results were as follows:

THE MARKETS.

Chicago, June 12.—July wheat opened ¼c to ⅜c higher at 72c to 72⅛c on small receipts and fair covering by shorts. Cables were indifferent and the weather in general was favorable. The demand was active early in the session. Although there was no particular news to sustain the market July advanced to 72⅜c. Local receipts were 15 cars, 1 of contract grade. Minneapolis and Duluth reported 164 cars, making a total for the three points of 179 cars, against 296 last week and 416 a year ago.

July wheat sold at 72⅛c, but the crowd followed the lead of big elevator interests that sold rather freely and July closed only firm, ¼@⅜c up, at 72@72⅛c.

Corn dragged lazily most of the session, early buyers taking a little profit. July closed steady, ⅛c up, at 63⅛c.

There was little corn for sale early and although cables were indifferent July opened ⅛c to ¼c up at 63⅛c to 63⅜c in sympathy with wheat. Buying was general early and July sold up to 63¾c. Receipts were liberal at 318 cars.

Oats were firm early with other grains. July opened ⅛c to ¼c higher at 39¼c to 39⅛c on fair buying of a good character. Crop reports were favorable, but receipts were very small at 88 cars and offerings were light and scattered. July soon advanced to 39¾@39¾c.

Lower prices for hogs at the yards started a little scattered selling in provisions and a few small recessions were made early. Offerings, however, were well taken and the market held steady on manipulation by packers' brokers. July pork opened 2½c lower to unchanged at $17.67½ to $17.70 and rallied to $17.72½; July lard 5c down at $10.80 and sold to $10.35, and July ribs unchanged at $10.37½ and advanced to $10.40.

THE DAY ON WALL STREET.

New York, June 12.—There was a large demand for Missouri Pacific in the opening dealings, several 1,000-share blocks changing hands. The price advanced ¼. Canadian Pacific rose ⅝ and Great Northern preferred 1½. There was a fall of ⅜ in Sugar. Otherwise the movement of the market was narrow and irregular.

Prices all around advanced beyond the opening level, but the demand, as on yesterday, was largely concentrated in the southwestern group. Missouri Pacific headed this division with a gain of a point, and Texas and Pacific, Wheeling and Lake Erie second preferred, People's Gas, Kansas City Southern, Chicago Great Western and Locomotive preferred made a similar improvement. St. Paul was largely dealt in, but its gain was slight, which was true also of the other grangers and Pacifics. Before 11 o'clock St. Paul and Union Pacific was under last night.

Traders realized in other portions of the list when St. Paul began to sag and by the time that stock had lost a point, very little remained of the earlier advances in the southwesterns. The coalers, western and Pacific stocks all sold below yesterday's close. Northwestern preferred dropped 3¾, International Power gained 7 points and International Pump a point. Distilling preferred reacted 1½.

Bonds were irregular at noon. Wabash debentures were decidedly strong.

BARRED FROM INDIANA.

Indianapolis, June 12.—(Special.)—Auditor of State Hart today ordered the Farm and Home Purchase company of Chicago, doing business in Allen county and elsewhere in the state, to leave Indiana immediately.

IS OPPOSING TAGGART.

Indianapolis, June 12.—A story is being told now to the effect that Thomas Taggart will not be asked to serve on the national congressional campaign committee. It is related that the row in the democratic party over the state chairmanship is responsible for the slight paid Mr. Taggart. It is claimed the friends of S. B. Fleming, who backed him for the state chairmanship, interfered with the plan to have Mr. Taggart on the congressional campaign committee. Mr. Taggart, who is at French Lick, says he had never been notified whether or not he was to serve on the committee. All he knew about the matter was what he had seen in the newspapers, he said.

COMPROMISE OF FACTIONS.

Cleveland, Ohio, June 12.—The Leader today prints the following special from Hot Springs, Va.:

A compromise has been arrived at between Congressman Burton and several republicans who went from this city to try to bring about peace in the matter of the proposed withdrawal of Congressman Burton as a candidate for re-election to congress from this district, because of alleged "petty bosses and bossism." The compromise reached is that there shall be a Burton committee as well as a general republican committee, and that the Burton committee shall have charge of the fall campaign.

FAMOUS CHAUFFEUR KILLED.

New York, June 12.—Baron Georg Von Bleichroder, whose death in Prussia from an automobiling accident has just been announced, was one of the best known men in Paris, as well as Berlin, says a dispatch from the former city to the Herald. Baron Georg was about 40 years old, of handsome appearance and very popular with his many acquaintances. The news of his death produced a profound impression among his numerous friends in Paris. The name of Baron Von Bleichroder is one of the earliest in connection with the Automobile Club de France. He was always known as a very skillful chauffeur and it is thought his automobile must have slipped on a muddy road.

WOULD-BE ASSASSIN HANGED.

St. Petersburg, June 12.—It became known today that Hirsch Lekart, who made an unsuccessful attempt on the night of May 18, to assassinate Lieutenant-General Von Wahl, governor of Vilna, was hanged on Tuesday, June 10.

Buds And Flowers of Home Life

PAINE'S CELERY COMPOUND

MAKES AND KEEPS THE CHILDREN WELL AND STRONG.

Mothers Make It the Home Medicine for the Little Ones.

The children, God bless them, are the buds and flowers of our homes. Without their prattle and hearty laughter, our homes would be desolate. They should ever be carefully tended in childhood and youth, if we expect them to ripen into perfect men and women.

In the home and at school, the children have their times of ill-health and suffering. We often note the pallid and bloodless cheeks, heavy eyes, nervous movements and twitchings of limbs and muscles. They complain of headache, drowsiness, weariness, dyspepsia, and indigestion. All such symptoms and ailments mean that the seeds of disease will have a fast and firm hold, unless proper measures are taken to restore a perfect condition of health.

Thousands of wise and prudent parents have made their children happy, healthy, and vigorous by giving them nature's medicine, Paine's Celery Compound. In many severe and complicated cases, Paine's Celery Compound has restored health when the little ones were given up by physicians.

If your dear ones are not as hearty, strong, and rugged as they should be in June, try the health giving virtues of Paine's Celery Compound. It makes and keeps the children well.

Greatest Medicine on Earth.

CORNELIUS GORE.

38 Marion Street, Natick, Mass.
Words cannot express my gratitude for your valuable medicine. I used to have four or five fits a day and even eight to ten the early part of every month. But since taking Pastor Koenig's Nerve Tonic (which was recommended to me by Rev Borther, of Hoxbar.) the fits have left me, and I thank your medicine, the greatest medicine on earth for it.

Alpena, Mich., Feb. 21, 1900.
I have recommended Pastor Koenig's Nerve Tonic in many cases that came under my observation while stationed at Isadore, Mich., and in all cases it had the desired effect, and especially so with Mrs. J. Robatek, Mr. Jas. Sullivan and daughter, and Mary Maurek. Knowing the Tonic is no humbug, I recommend it whenever any sick come to my notice.
REV. S. KOWALOWSKI.

Mr. O. P. Trogus writes from Mt. St. Mary's Seminary, Cincinnati, that he just heard of a case from reliable authority, which defied the Doctors' skill, but was cured by Pastor Koenig's Nerve Tonic.

FREE A Valuable Book on Nervous Diseases sent free to any address and poor patients can also obtain this medicine free of charge.

This remedy has been prepared by the Reverend Pastor Koenig, of Fort Wayne, Ind., since 1876, and is now prepared under his direction by the

DEATH IN WRECK

WABASH ENGINEER CHERRY KILLED AT MONTPELIER.

FOUR OTHERS ARE INJURED

CONDUCTOR BELYEA SUSTAINS FRACTURE OF LEG.

L. A. OF B. R. T. CELEBRATES

HUNTINGTON, GARRETT AND BELLEVUE PRESENT.

While a Wabash railroad work train was backing into Montpelier, Ohio, at 6:15 o'clock last evening the engine and three cars were derailed. The engine turned over and Engineer Thomas Cherry, of Ashley, was caught beneath it and instantly killed. Fireman Beihl was burned somewhat about the face and was bruised, and Conductor Belyea suffered a broken leg. Brakemen Short and Rheinvel were also slightly bruised. Conductor Belyea and Fireman Beihl were taken through this city last night, on the way to the hospital in Peru. The other injured trainmen were able to continue at work. The derailed engine was the No. 757, one of the big freighters recently put into service. She is not badly damaged, but will have to go into the shops and will probably come here as soon as she can be righted.

SCARCITY OF MACHINISTS.

Nearly all of the manufacturing establishments of the city complain of a scarcity of machinists and experienced machinists' helpers. Supt. E. A. Barnes, of the Fort Wayne Electric works, said this morning that he was in need of machinists, machinists' helpers and floor helpers and could give eight or ten of each immediate and steady employment. Machinists George Leiberenz and Arthur Nagle took positions in Foreman C. F. Knothe's room, and F. Arney took a position in the laboratory at the works this morning. At the Bass works the foundery department is short of helpers and laborers, but there seems to be plenty of men in the other departments. Mr. Nagle was formerly employed at the Wabash shops.

CELEBRATING ANNIVERSARY.

Loyal lodge, No. 65, Ladies auxiliary to the Brotherhood of Railway Trainmen, assisted by some of the fraternal sisters from other cities, is today celebrating the eighth anniversary of its organization, at the hall, 140 Calhoun street. The exercises commenced at 9 o'clock this morning and will close this evening by a reproduction of the "Spinsters' Return," by the same ladies who so successfully gave that play last winter. Dinner was served at the hall and supper will be served there also, the members of the brotherhood, No. 136, participating in each feast. Among the guests from out of town are twenty ladies from Huntington, fifteen from Garrett and ten from Bellevue.

SHOPMAN ROBBED.

Louis Daas, of Lafayette street, employed in the Bass wheel foundry, was the victim of a robbery yesterday. When he appeared at the works for duty yesterday morning, he hung his coat in the usual place back of a door. In the pockets of the garment were silver coin to the value of $10 and two checks aggregating $7.55. When Mr. Daas got his coat at the noon hour, he discovered that the cash and checks were missing. The robbery was reported at the police station, but there is no clue as to the identity of the thief.

HE BECOMES AN INVENTOR.

Shop Clerk J. H. Hobrock, of the Pennsylvania, has been giving his inventive genius an opportunity to assert itself and the result is a cockroach trap which will catch and retain the bugs in a wonderful manner. The trap is a box ten inches long, three wide and three deep and the cockroaches gain entrance through four funnel shaped tubes which are placed near the glass lid, one on each side and each end. Once inside the trap there is no escape for Mr. Cockroach. The manager of the trap can use his own method of killing after the bug is trapped.

HAVE GOOD POSITIONS.

Friendship lodge, No. 70, I. A. M., is in receipt of information of two of its members who left the city several weeks ago. Charles Ritzius has a position in a small machine shop in Mt. Vernon, Ind., which he considers better for him than the position he vacated when he left this city. Ed Keefer, who is in Madison, Wis., writes that he is very comfortably provided for in the way of employment also. Both men send regards to their Fort Wayne friends.

PRESIDENT SLOCUM HERE.

John Slocum, president of the International Brotherhood of Blacksmiths, was in the city over night and called upon his old friends and some of the members of the local union. He left this morning for Columbus, Ohio, where he will establish division headquarters of the brotherhood for the state of Ohio. Mr. Slocum worked in the Pittsburg shops forty years ago.

TAKING "HIGH SPEED" LESSONS

Capt. H. M. Deihl put his air brake instruction car in service at noon today, instructing the men who will have charge of the new fast trains on their runs over the western division in the use of the high speed air brake. After the men have been instructed, the car will go into the shops to receive attention at the hands of the painters. Then it will probably open up the general air brake instruction term in this city, which will last several weeks.

WILL BUILD TO SHELDON.

The National Telephone company will within the next thirty days begin work upon the construction of a toll line from this city to Sheldon, a distance of about twelve miles. At Sheldon it will connect with a new line from Uniondale and Zanesville, owned by residents of that vicinity and upon which are sixty-six farmers' homes connected. The new line of the National company will put them directly in touch with Fort Wayne.

SELECTED BAGGAGEMEN.

H. F. Reiter, who has been an extra baggageman on the Pittsburg, calling crews when not out on the road, has been appointed one of the baggagemen on the fast trains the company will put in service Sunday. The other two baggagemen on these runs are Ambrose G. Ward and James Raifsnyder, who have been serving in similar capacity on the limited for some months.

BOUGHT ANOTHER BOILER.

The Fort Wayne Gas company placed an order with the Bass Foundry and Machine company yesterday for a 150-horse power boiler, which is supplemental to an order for two boilers placed some days ago. The latter are well under way of construction and will be completed in a short time. These boilers will be added to the power plant at Bluffton.

MEETING POSTPONED.

Chief Clerk Frank Reed, of the motive power of the Pennsylvania, last evening received instructions from Mr. Crawford to postpone indefinitely the master mechanics' meeting, which had been called for today. Mr. Crawford is in Pittsburg and could not return here in time to hold the meeting.

INDUSTRIAL NOTES.

C. G. Brown, a Pittsburg truckman, is sick and off duty.

The Electric company sent to Dundee, Wis., this morning a 1,000-light dynamo.

The Pennsylvania company opened its new passenger station at Cleveland last Monday.

Martin Hentschlen, of the Bass blacksmith shop, is off duty on account of sickness.

Mr. Woolsey, Philadelphia agent of the Fort Wayne Electric company, is in the city on business.

Machinist Herman Regel is engaged in setting up a Bass engine in No. 1 pumping station.

Emmett Trump has taken a position as stationary fireman at the Wabash machine shop.

Aged and disabled members of the Brotherhood of Locomotive Engineers are to be pensioned by that organization.

W. E. Cleverdon has been appointed traveling auditor of the Lake Erie and Western, with headquarters at Muncie.

Brakeman William Clements, of the Nickel Plate, has taken a week's lay-off to look after some private affairs.

R. D. Paul, of Russiaville, Ky., who was here taking instructions in the management of a lighting plant, left yesterday for his home.

Machinist Herman Bunge, who resigned a position at the Electric works a few days ago, has gone to Kokomo to take a position in a shop.

J. M. Filcer, of the Wabash boiler shop, had some fingers of his left hand burned yesterday. He is off duty as a result of the accident.

X. Klingenberger, C. A. Shaffer and George J. Castle, Pittsburg shopmen, are sick and off duty. J. L. Langston is looking after private business.

F. E. Pratt, yardmaster of the Wabash, has gone to Chicago as a witness in a suit in which the Chicago Junction Railway company is the defendant.

On the Pennsylvania the new fast trains have the right of way all the distance between New York and Chicago. On portions of the line a speed of eighty miles an hour is made.

Machinist Walter Adams, of the Bass works, left this morning for Cambridge, Ohio, to set up a Corliss engine which was built in the Bass works a short time ago.

John C. McConnell, of Larue, Ohio, is the guest of his brother, James McConnell, of the Pittsburg freight office. The visitor is traveling salesman for Snyder & Co., of Cincinnati.

The east car shops and the planing mills ball teams will again play on the stock yards grounds next Saturday afternoon. The last game was close and each club is confident of victory this time.

H. G. Reed, who was general superintendent of the Milwaukee, Lake Shore and Western in the seventies, and later consulting engineer, died last week at Braidentown, Fla., aged seventy-four years.

Harry Geerken, who had been sick, resumed work in the Pittsburg shops this morning. C. W. Rodenbeck, of the 'smith shop, also reported for work this morning, after an absence on account of sickness.

Excavation for the foundation for the power plant at the Electric works is complete and the material for the concrete and stone work is being delivered today. The masons will commence work tomorrow.

The passenger department of the Lake Shore road announces that every berth on the "Twentieth Century limited" train, which goes into service next Sunday, has been engaged for the first trip eastbound.

Another plaintiff has been added to the list of those who seek damages from the Wabash company for personal injuries in the terrible collision accident in Michigan last winter. There are now fourteen plaintiffs in the case and each demand $14,000.

On account of the rough crowds that get on at certain stations on Sundays on the Hocking Valley road, the officials have decided to discriminate against three of the stations where the men who take the train are noisy, boisterous and drunk, and will not stop at these stations.

Engineer W. L. Scott, of the Pittsburg, has taken a lay off for the purpose of visiting relatives in Ohio. Passenger Engineer Tony Kelker and Yard Engineer Harry Kelker and Fireman A. C. McMillan, of the same road, are off duty on account of sickness.

Contractor William Galmeier has begun some extensive improvements upon the dwelling house of Postmaster W. D. Page, on East Jefferson street. A second story will be added and a wide porch will extend across the front and down the west side as far as the L entrance to the building.

Elmer Zeis, of Maysville, was in the city yesterday and left an order for a lot of building material. He is a contractor and has secured the contract to build two school houses in Milan township. Last week he secured the contract to build two similar buildings in St. Joseph township.

Conductor Kinzie Aimmell, who has had charge of one of the Chicago accommodation runs on the Pennsylvania for several years, will take a run on trains 11 and 20, alternating with Conductor Gard Tuckey. Peter Travis will take the vacated place on the Chicago accommodation.

Abolition of second-class rates and of certain stop-over privileges is another blow at the ticket scalpers, and tends to still further curtail their opportunities to do business. The scalpers denounce it in a bitter manner, speak of it as an outrageous assumption of monopolistic greed, and call on the labor organizations to take cognizance of this.

A bulletin issued by the interstate commission shows that during the three months ended December 31 last there were 1,481 railroad collisions and 877 derailments in the United States, in which 274 persons were killed and 2,089 injured. Accidents of all other kinds increase the total to 813 killed and 10,235 injured. The damage to cars, engines and roadway by these accidents amounted to $2,075,091.

SETTLING UP A SYNDICATE.

New York, June 12. James G. Cannon, vice president of the Fourth National bank, said today that he had undertaken to settle the affairs of the Webb-Meyer syndicate.

"The bank is neither directly nor indirectly interested in any of these loans or securities," said Mr. Cannon. "At the request of 103 banks and institutions throughout the country, which are interested, I have undertaken to bring about some kind of an adjustment in connection with these matters. All parties in interest are heartily co-operating. Very many of the properties have merit to them and with careful handling and adjustment I feel that the situation can be measurably cleared up to the satisfaction of all concerned."

PLAIN TALK

STRAIGHT TALK AND TO THE POINT—THE VIRTUES OF DR. A. W. CHASE'S NERVE PILLS TOLD IN A FEW WORDS BY A FORT WAYNE CITIZEN WHO KNOWS.

Mrs. J. M. Kress, of No. 143 Broadway, Fort Wayne, Ind., says: "I think Dr. A. W. Chase's Nerve Pills are just splendid. I was badly in need of a nerve tonic as I was depressed, weak and nervous. I got some of the medicine at Meyer Bros. & Co.'s drug store and they built me right up—gave me strength, energy and made the nerves good and steady. I am very much pleased with the medicine."

Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

If it's a good thing SLAVEY'S have it.

Can You Afford It?

Can you afford to buy wire cloth that will rust and break, and look unsightly after a few weeks' wear? Of course you can't. You prefer the weather proof kind, that's made to last through the summer and winter and still be good the following spring. That's the kind we're selling now, and that's the kind you want to buy. Any width—suit yourself. Also Screen Doors and Windows ready made, all sizes, and will hang them for you, if you wish. Come early and come often; it is our pleasure to serve you.
